

# Icons of Style

at The Ringling, October 4, 2013 -  
January 5, 2014

This exhibition celebrates the interconnected roles of fashion's makers, the models who wear their designs, and the media that disseminate those looks to the world. Drawing on the MFA Boston's rich collection of costumes, fashion illustration, and photography, the exhibition will explore the process of creating icons of style from design concept to runway and finished image.

John Galiano, *Woman's evening dress* (Worn by: Cate Blanchett), 1999, Gift of Judith Hurwitz Krupp.
